

## **Mission:**

We are trained, ready and capable, to deploy and execute:

- Contingency construction
- Tactical operations
- Disaster recovery
- Humanitarian assistance

ANYTIME, ANYWHERE!

## **Vision:**

We are a vital part of the Construction Force of choice because we:

- Provide responsive, quality construction, disaster recovery and humanitarian assistance anytime and anywhere.
- Rapidly deploy to execute our tactical mission, maximizing contingency construction support for operational commanders.
- Maintain an environment that challenges each Seabee to achieve their full potential.
- Promote dynamic leadership that inspires teamwork responsive to our people and our clients.

## **Guiding Principles:**

- Continue our proud "Can Do" tradition of success.
- Display our passion and commitment to the Navy's Core Values.
- Achieve balanced excellence in all facets of Battalion operations.
- Continuously delight the client by exceeding their expectations.
- Ignite team building and small unit achievement.
- Respect and value our people; optimize personal growth.
- Always challenge the status quo: Encourage innovation.
- Build Safety and Quality into everything we do.
